

# Christmas Lights Game!

There's 50 lights on the KLT Christmas Lights Match Game. Each of the 25 prizes below are hidden under two different lights. During designated times, KLT asks listeners to call in and pick two lights. If the prize under each light matches, you win! Use the grid below to track light numbers that have been called on the air.

## West Side Prize Tree:

1st # 2nd #

- |                          |                          |   |
